CHS Remembers

June Elizabeth Hamilton
1930 - 1981

June Elizabeth Hamilton died February 12, 1981. During her three-and-a-half years as English teacher at Chinle, she was as full of energy and new ideas as any of her students and never shy about voicing her opinions. She left behind many grateful students whose lives she touched through her involvement in campus activities. Ms. Hamilton was a junior class sponsor (1970-1980), senior class sponsor (1980-1981), junior varsity and varsity cheerleader coach and Pep Club sponsor.

As a living memorial to Ms. Hamilton, the Class of 1981 has set up a scholarship fund in her name. Beginning next year, a worthy senior will be chosen each Spring to receive the award.

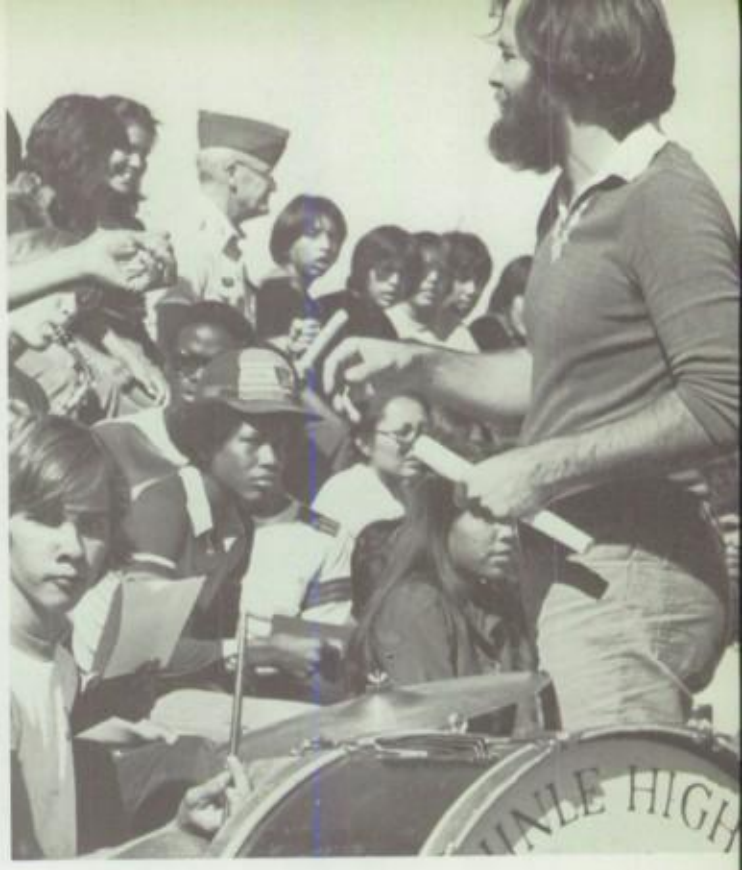
Indian Day

Kindling Traditional Values

Mrs. Arrow and the Indian Club sponsor Indian Day in an attempt to emphasize Chinle High School's unique ethnic population. A traditional dress contest, (won by Jeanette Scott and Jerry Hoffman) guest lectures, crafts displays and fry bread making highlighted the day.

Pep Rallies



Learning New Values

The band plays and cheerleaders rave all in an effort to build excitement and give competing Wildcat teams an emotional charge. Meanwhile, some students still wonder, "What's a Pep Rally?"

Get Those Turkeys!

Chinle sharpshooters got a chance to prove their skill this fall when the Pep Club held a turkey shoot. JROTC instructors were on hand to make sure the targets were the only victims. Three turkeys, donated by local merchants, were awarded.

Gobbling The Gobblers

The Second Annual Bradfield Turkey Dinner gave about 200 students and faculty good reason to be thankful. Mrs. Bradfield (pictured below, left) had her home economics girls cooking up delights a week before Thanksgiving. Meanwhile, Mr. Bradfield (pictured left) and the building trades boys prepared their shop for the feast. The combined classes then sat down for a meal of traditional holiday abundance.

Scott Chapin graduated from CHS last year and now attends NAU in Flagstaff. He returned so many times this year to play trumpet with the band at games that CHS teachers took up a collection to buy Scott his own horn. Scott is blind.

As the rain fell streamy down the
misty road I sat there watching
it from inside, glazing motionless
at it's speed, thanks for
BEING free.
Little birds snuggled in the tree
beneath their mother swaying back
in forth on the limb, thanks for
Being free.
Above the clouds dingy gray
creating cool dark memories of
the past, thanks for Being
free.
I played in the rain at four
years old and made my boats
at five, thanks for Being free.

Now I'm on my way past the
age of playing, but still wanting
to create, motionless memories
in my head.

thanks for Being
ME.
